Izabella - I apologize for the delayed response. I've been away from my office. apparently, there was some confusion with our darkening as to whether the agreed extension was 2 to 3 weeks. I am working to finalize now and will have them to you by close of business on Monday. I appreciate your patience and I apologize for the miscommunication on our end.

Courtney,

We're very sorry to hear about your loss. Our condolences to you and your family. A two-week extension is fine.

Does Thursday at 2:00 EST work for a call about ESI? We're planning on including a member of our e-discovery team on the call. Please let us know who will join on your end, and we'll send around dial-in information.

Thanks,
Izabella

 **EXTERNAL**

Izabella –

Good morning. I apologize for the delay in responding. My father-in-law passed away unexpectedly last week, and I have (will continue for the next few days) to be away from the office. To that end, could we have a two week extension to get the RFP responses to you?

I agree that it is a good idea to discuss production – I can be available any time on Thursday or Friday to discuss.

Thank you,
Courtney

Hi all,

We had previously discussed meeting about ESI protocol. In anticipation of document production, do you have some time this week to discuss the protocol and document production?

Thank you,
Izabella
